# **NORTHAMPTON KIDS BASKETBALL TEAM**

**2021 - 2022 Basketball Season**

**GRADES 5-6 BOYS**

**(ALL NORTHAMPTON AREA SCHOOL DISTRICT RESIDENTS ARE INVITED)**

## **TRYOUTS (Northampton Area Middle School)**

*\*Players should attend both tryout dates if possible. Please enter at the top doors in the bus loop. Players are encouraged to wear a shirt with their last name on the back (if possible).*

**Thursday, October 21 6-8pm (UPDATED DATE)**

**Saturday, October 23 9-11am**

Players must register with their home organization prior to tryout dates to be eligible.

Practice and games will be held 3-4 times per week.

The team will compete in the LVKBL league. Practices will be held at the Northampton Rec Center or Lehigh Elementary (only if Rec Center is unavailable).

Players that do not make the team will return to their home organization to play at an appropriate ability level.

*The goal of this team is to combine the (current) top players from each of the organizations within the Northampton School District. Remaining players that return to their home organization will compete at a lower level with more opportunities to develop their skills. The Northampton Kids team will consist of 8-12 players. Tryouts will be coordinated and run by members of the high school program. Participation on the Northampton Kids Team does not directly impact a child's ability to play on the middle school or high school teams.*

Contact Coach Matt Scholl ([mscholl43@gmail.com](mailto:mscholl43@gmail.com)) with any questions or concerns.

*The Northampton Area School District does not sponsor or sanction this program/event/activity.*
